MEMORANDUM FOR: Deputy Director of Central Intelligence  
FROM: SA/DCI/IA  
SUBJECT: Cabinet Council on Commerce and Trade, 27 July 1983

1. The Cabinet Council will meet at 8:45 a.m. in the Roosevelt Room; Secretary Baldrige will chair the meeting. Two topics are on the agenda: intellectual property (there is no intelligence interest in this), and purchase of additional LANDSAT.

2. This book includes Cabinet papers on these two topics and [redacted] (IC Staff) memo on LANDSAT, as well as memoranda on previous Cabinet Council meetings on LANDSAT.

3. [redacted] is doubtful that LANDSAT commercialization will be carried off successfully. He recommends that, if asked, you support Option 1--procurement of a follow-on LANDSAT. [redacted] cautions, however, that it appears that all except NASA are going with Option 2. You may wish to voice concerns recommended in paragraph 9 of [redacted] memo (Tab C).
